AUTO THEFT SUMMIT 2024

RECOMMENDATIONS

MISSION STATEMENT

Disrupt organized auto theft through strengthened enforcement measures and multi-sectoral collaboration to address vulnerabilities contributing to auto theft.

Collaboration & Awareness ⟷ Strengthen Enforcement

PRIORITY 1: STRENGTHEN ENFORCEMENT

ACTION

- A federal Action Plan that will formally recognize auto theft as a national priority; strengthen enforcement and inspection of exports, establish legislative and policy tools to address organized auto theft.

PROGRESS INDICATORS

- Strengthen security, investigations, and enforcement capabilities of containers at impacted ports and intermodal hubs.

- Targeted legislation and policy that identifies auto theft as organized crime and sanctions it as such.

- Investment into a interprovincial joint force operation.

PRIORITY 2: COLLABORATION & AWARENESS

ACTION

- Continued collaboration between police services, auto manufacturers, insurance bureaus and government partners to identify and address vulnerabilities, and raise awareness.

PROGRESS INDICATORS

- Delivering on commitments and progress to address vehicle theft vulnerabilities and implementation of new anti-theft technology in vehicles.

- Increase public awareness on anti-theft devices and ways to deter auto theft and carjacking through campaigns or programs.
